- ✓ Parents and students are strongly encouraged to review the academic record and determine which courses best meet student's goal after high school. Students should review their transcript and grades in Aeries to make sure they have the prerequisites and grades needed for the next level of courses.
- ✓ Please read the recommended prerequisites for Honors, AP, and advanced courses. They are listed in the course offerings by grade level on the website listed above.
- ✓ Parents and students will have a brief window to change the class selections if needed. It is highly recommended for all students to complete registration before **March 22**.
