

Disney Construction Q&A
Update 11/20/20

Dear Disney Parents and the Community,

I am very pleased to announce that today the Division of State Architects (DSA) has approved the plans for the Disney Two Story Project.

The District and Lundgren Management started the planning and bidding process two weeks ago and are in the final stages of completing the bid packages that will start the project including obtaining a list of qualified bidders for this project. The first stages of the work will be clearing the playground of obstacles such as trees, poles, basketball poles, the ball wall, garden and play equipment. This will be followed by excavation, compaction and the foundation work. We will be going out to bid as soon as everything is in place!

More information coming soon!
