

Dear 8th grade Parents/Guardians and students,

The time has come for us to begin our high school registration process! The counseling department is looking forward to working with you during this exciting time. We want to take a moment to explain the process and make sure you have a good understanding of how high school registration is completed.

On January 11 and 12, JMMS counselors will be visiting PE classes. Students will be able to view informational videos about Burbank High School and the NAF Academies. Counselors will also be helping students create their **student** Aeries account if they have not already created it. Student Aeries accounts must be created with the student BUSD email address.

Over the next few weeks there will be many opportunities to ask questions and get more information. Please refer to counselor Google classrooms and our website for up to date information regarding office hours, Q & A sessions, and how to set up appointments. Individual appointments are available and can be scheduled through setmore.com with your child's counselor. Links to set up virtual meetings are available on our JMMS website at <https://www.burbankusd.org/Domain/1432>.

Please save the date for the following virtual meetings:

January 15 - NAF Academies Q & A (use google meets code busdnafmeets) 1:00 PM  
January 25, 26, 27, 28 - Q & A Zoom session with BHS counselors from 2:00 - 3:00 pm  
January 27 - Burbank High School Parent meeting (time TBD)  
January 29 - Zoom with all BHS counselors from 2:30 - 3:30 pm

\*All links will be available on JMMS counselors' Google classrooms.

Finally, during the week of February 1st, JMMS counselors will visit 8th grade math classes to lead students in registering for their classes through our Aeries system. Please use the attached registration form as a worksheet to plan out classes prior to February 1.

Sincerely,

John Muir Middle School Counseling Team
