IMPORTANT UPDATES TO PARENT COMMUNICATION

Mass notifications: Over the summer BUSD launched a new parent mass notification system. This system will allow for **text messaging** to parent phone numbers provided during enrollment. Notifications will show up as coming from contact "606-80", please save this contact in your phone.

- To opt-out of text messages:
Text the word STOP to 60680 or reply STOP to any BUSD text.
- To restart text messages:
Text START to 60680 from the phone that has been opted out for messages.

If you opt-out, you will still receive **EMERGENCY messages.

Attendance calls: Soon, if your child is absent and unexcused from school or tardy to school, you will get a text and voice message the same evening. Excused absences must be cleared within three days.
