

BUSD TB Clinic for Volunteers

All volunteers, including overnight chaperones, are required to obtain a Tuberculosis Risk Assessment with a Certificate of Completion. **If your assessment indicates that a Mantoux (skin) TB test is required, TB tests will be available during the clinic for a fee of \$10.00. No chest x-rays will be provided.** Mantoux testing requires follow-up reading 48 hours later. The District will not re-administer the test if you do not return for the required reading. If you believe you will be volunteering during the school year, you are encouraged to participate in this TB Clinic. ***The Burbank Unified School District offers one opportunity annually to obtain risk assessments. No additional district sponsored clinics will be offered.***

John Burroughs High School

Lenora Aguilera, Head School Nurse

Line Forms at Parish Alley - (Side Gate at Clark and Parish)

1920 West Clark Avenue • Burbank, CA 91506

(818) 729-6900 ext. 61999
