

Mrs. Colvin Marvin

Suggested Supply List - 5th Grade

2023-2024

Students will need their own individual supplies, as we won't be sharing too much in class in the interest of cleanliness. However, I don't want this to be a burden to any families, so if you have a concern, please reach out to Mrs. Colvin Marvin and we'll work together to get everything your child needs. If you'd like to donate extras of anything to provide to those who may be in need, that would be lovely. :)

- NO additional 3 ring binders nor large notebooks, please, as there is no space in crowded desks.
- pencil box (please, nothing extra large)
- 2 spiral notebooks (wide rule preferred) One for math and one for writing.
- plastic pocket folders: red, yellow, blue & green . Paper folders tend to get torn in desks.
- 1 "fun" folder of their choosing for homework.
- 1 inch yellow three ring binder (our subjects are color-coded and students will need this for math materials).
- 2 glue sticks
- colored pencils 24 set (or the school can provide a 12 count box)
- washable markers
- 1 or 2 thin whiteboard markers
- pre-sharpened pencils (NO mechanical pencils, please)
- 3 x 3 inch Post-It notes (square) 2 colors
- individual pencil sharpener, nothing battery operated, but should have a shavings trap
- small stapler with staples - this is really helpful.
- black and blue pens (1 each) plus one colored pen (purple or green) for corrections
- ruler with both inches and centimeters
- highlighters of various colors THIN
- student scissors
- personal SMALL hand sanitizer for lunch box , (hand sanitizer is available at each door and table)
- extra masks if they will be wearing one (Still recommended after returning from summer break, particularly.)
- refillable water bottle

Please make sure your child's supplies are labeled and they know what is theirs and what is a class donation.

I was asked to create an Amazon wishlist for the classroom and will share that with you later, but please, do not feel an obligation to make a purchase. These are purely "wish list" items to enhance our learning environment or curriculum. Thank you so very much. I cannot wait to begin the school year with your child.
