

2021-2022 Reflections Winners

We are excited to share that we have three Muir students who went on to place First Place at Burbank Council PTA and then proceeded to place SECOND at First District PTA! Even more impressive - each of these artists is in 6th Grade. The students are:

Violette Beltran - Dance Choreography

Bailey Coyne - Film Production

Christabelle El Khoury - Photography

They will be recognized at ceremonies for BCPTA and First District. The First District represents *over 270 schools* and **we are incredibly proud of our John Muir Middle School student's hard work and achievement!** - **Bravo!**
