****SAVE THIS LETTER****

Welcome to John Muir Middle School! I hope that you and your family have had a great summer! This letter contains important information about registration and the start of the 2020-2021 school year. Please read it thoroughly and keep it in a safe place.

The district will be using the online Parent Portal to confirm your student's enrollment data. In order to register your student for the upcoming school year, you must login to your parent (not student) portal account, go to the yellow bar at the top of the page and click on the hyperlink that says "**Click Here**" to complete the **data confirmation**. You must complete the process beginning July 20, 2020 and prior to registration (information below).

If you already have a parent portal account, you will use your existing account.

If you do not have a parent portal account, go to www.burbankusd.org/jmms > click on the Aeries Portal box > click on the link in the middle of the page "Create a new account." Then, use the detailed information (Student Name, Permanent ID, Verification Code, Home Phone) sent to you in your personalized letter.

After you have created your account, be sure to log in and complete the data confirmation. You will also use this account to view your child's grades, attendance, and class information throughout their time in the Burbank Unified School District.

Once you have completed the registration process online, you will **read, sign and upload** the Annual Acknowledgement of Rights and Responsibilities. See below for the designated date and time for your student's registration.

The 8th grade leaders will be meeting with their 6th graders throughout the year to help make their transition to middle school an enjoyable experience. PLEASE NOTE: Students with indebts/financial obligations and **all** incoming 7th graders who are missing their Tdap vaccination will not be allowed to checkout textbooks or be scheduled into classes.
