

## Disneyland® Resort Policies and Expectations

Grad Nite at the *Disneyland*® Resort has been a rite of passage for millions of graduating high school seniors. Disney's goal is to create an environment that is enjoyable for everyone.

**Security Screening.** All students and chaperones should expect bag checks and magnetometer screenings at the Resort's backstage screening area. In conjunction with the Anaheim Police Department, we will also be conducting screenings for banned substances.

Screenings will include bag searches and the use of drug-sniffing canines. If bag searches and/or the drug-sniffing canines indicate the presence of marijuana (or any of its derivatives including marijuana enriched products and medical marijuana) or any illegal narcotics/substance, we will ask the subject student for permission to conduct additional screening.

**Attending Grad Nite is not a right, it's a privilege.** If any banned substances are found in your possession, the matter will be turned over to the Anaheim Police Department for further action. A violation of this policy may ban a school from future Grad Nite events.

**You are responsible for your own ticket throughout the duration of the visit.** Tickets are not transferable and will not be replaced if expired, lost, damaged or stolen. You will receive an event wristband following successful completion of the security screening. All students must arrive together with their school in buses.

**Proper Attire,** including shoes and shirts, must be worn at all times. Clothing that drags on the ground is prohibited. Clothing with multiple layers is subject to search.

Disney reserves the right to deny admission to or remove any person wearing attire that it considers inappropriate or attire that could detract from the experience of other Guests, such as clothing containing drug/violence/weapon references or pictures and potential gang-related clothing.

**Excessive Celebratory Behaviors** that can be interpreted by other guests as intimidating and/or disruptive are prohibited:

- Groups walking and/or running in locked arms (this can appear threatening to other guests and is also a safety concern in impacted areas).
- Group chanting of any kind including yelling at high volumes in attraction queues.

**If you should witness inappropriate student behavior,** we ask that you notify a Disney Cast Member immediately. If a student is ejected from the Resort or Grad Nite, it is the responsibility of the school official(s) to dismiss the student from the Resort premises.

# Prohibited Behaviors, Activities, and Items
