### JBHS AT-A-GLANCE

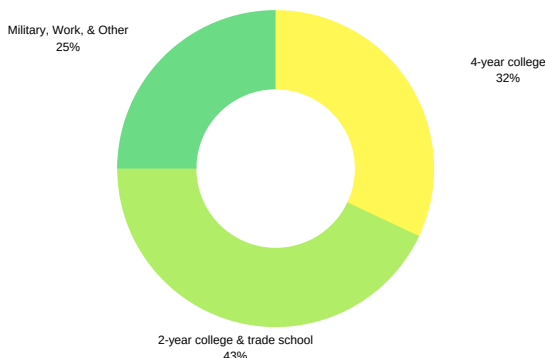

- Total Enrollment: Approximately 2,400 students
- Grades served: 9-12
- Semester system (Fall, Spring, & Summer)
- Each course receives 5 credits per term.
- A grade of "D" or higher receives credit.
- 230 credits to graduate
- Service learning requirement of 10 hours to graduate
- With COVID-19, the 2020-21 school year started with 100% distance learning. Students attend 3 classes per day for 80 minutes per class. Previously, the school was shut down as of March 13, 2020 and all students were required to continue their classes receiving CR (credit) or NC (no credit).

### STUDENT DEMOGRAPHICS

- 33% of students qualify for free and reduced price lunches.
- 41% of our students will be first-generation college students.
- In 2021, in spite of the COVID-19 pandemic, 97.4% of our students graduated. 55.7% of our graduating seniors completed the A-G requirements.

## HONORS COURSES

JBHS offers Honors English 9, Honors English 10, Honors English 11, Honors Biology, and Honors Chemistry. The Honors English 11 and Honors Chemistry classes are weighted.

## DUAL ENROLLMENT

JBHS offers CTE Dual Enrollment classes with local community colleges (Glendale Community College and Los Angeles Valley College). Several of our practical arts classes are articulated. Students can earn both high school and college credits.

## CTE COURSES

Career Technical Education (CTE) classes provide students with hands-on opportunities to investigate their interests and learn about career choices. Due to budget cuts, there are no CTE classes offered in 2021-2022.

## ATHLETICS

Baseball	Softball
Basketball	Swim
Cross Country	Tennis
Football	Track
Golf	Volleyball
Soccer	Waterpolo

- Registrar: Myra Leyva

Counselors:

- Lisa Chung (Academies)
- Jennifer Sohn Lim (Intervention & EL)
- Jodi Levy
- Mariela Campos
- Jessie Steinberg
- Hung Truong

## ACADEMIC ACADEMIES

JBHS offers an Engineering and a Medical Academy through the National Academy Foundation (NAF). NAF educational design is made up of four elements of practice: academy development & structure, curriculum & instruction, advisory board, and work-based learning. The Academies' first cohorts will graduate in 2019.

### MEDICAL

The JBHS Medical Academy is a four-year program designed for students to get a taste of what's going on in the medical field and how they can be a part of helping heal people. Students learn about medical issues that impact the world. Students also get hands-on experience with understanding the human body, what causes harm and how to treat and heal.

### ENGINEERING

The JBHS Engineering Academy is a four-year program designed for students to gain an understanding of how things work, how to solve complex problems, and how to design and make new things. Students get hands-on experience with modeling and building, robotics, zSpace computers, 3D printers, and much more.
