West San Gabriel Liability & Property JPA

Risk Management Guidelines for
Associated Student Body or School Site
Activities & Events

Dos and Don’ts

Activity Checklist
The following guidelines are provided for planning Associated Student Body (ASB) or School Site events. The criteria recommended are adapted from the PTA Insurance Guidelines and from other School District Insurance and/or JPA’s.

The West San Gabriel L&P JPA requires that all events on school sites use these guidelines when planning fund-raisers and social events.

When planning an event that is questionable, or not on any of the following lists, please call the District’s Risk Management Office for approval.

Appropriate forms must be completed for activities:

- Voluntary Excursion/Field Trip Notice
- Parent Release Form – Voluntary activities Participation Form
- Hold Harmless Agreements
- Certificates of Insurance

Refer to your ASB Accounting Manual for fund raising guidelines.
Approved activities and events are listed below.

Under no circumstance should any ASB Organization, School Site or District representative sign a Hold Harmless Agreement for a vendor/concessionaire/service provider, or agree in any way that the ASB or School Site will be held responsible for liability. Review all contractual arrangements very carefully to make sure that they do not contain such provisions. If a contract includes a Hold Harmless Agreement contact the Risk Management Department prior to signing.

Guidelines for handling food

1. Wash hands before touching food.

2. When handling unwrapped food, use gloves.

3. If gloves not available, use appropriate serving utensils.

4. If money is being collected, have one person taking money and another handling food.

5. Keep hot food hot (over 135°F) and cold food cold (under 40°F) before and during serving.
   - Bagged ice in between pans or under food can help keep food cold.
   - A crock pot plugged into a working outlet will keep hot food hot.

6. If this cannot be accomplished, do not hold protein foods for more than 3 hours. Protein and other potentially hazardous foods include:
   - dairy products
   - meat/poultry
   - fish
   - eggs
   - legumes (pinto beans, etc.)
   - raw fruits and vegetables

7. If cutting foods that are not going to be cooked, use separate cutting board and knife for protein foods vs. fruit/vegetables/desserts.

8. Toss left-overs (especially protein and other potentially hazardous foods) after 3 hours.

9. Anyone experiencing diarrhea and/or vomiting within the past 72 hours should not be around the food.

10. Shoulder-length hair should be tied back.
Restricted Activities and Events

Occasionally, ASB’s want to sponsor activities which may require additional insurance coverage, waivers of liability, certificates of insurance or other special arrangements. ASB’s must strictly adhere to ASB guidelines. All conditions must be met and/or the District Risk Management Department consulted before undertaking any activities listed on the YELLOW pages.

**Under no circumstance should any ASB Organization, School Site or District representative sign a Hold Harmless Agreement for a vendor/concessionaire/service provider, or agree in any way that the ASB or School Site will be held responsible for liability. Review all contractual arrangements very carefully to make sure that they do not contain such provisions. If a contract includes a Hold Harmless Agreement contact the Risk Management Department prior to signing.**

The numbers following each activity refer to the CONDITIONS (see page 7) that must be met prior to an ASB or School sponsored event or activity.

Activities and Events Prohibited

The District has adopted certain policies regarding permissible ASB and School Site activities or events, in order to minimize the risk of exposure. It is the policy of the District to prohibited activities because they are dangerous and jeopardize the safety of our children. Such activities also jeopardize the insurance coverage for the District.

The following activities and events are prohibited. Under no circumstances should any ASB Organization, School Site or District representative sign a Hold Harmless Agreement for a vendor/concessionnaire/service provider, or agree to any activity that the ASB or School Site will be held responsible for.
