Goal 5.6: Continue to Partner with the City of Burbank, Burbank Chamber of Commerce, and local businesses to develop more academic/career readiness classes with our community college partners

The District continues to place students in internships. The paid internships are a challenge because the funding source has not been stable.

We will continue to give course credit for the unpaid internships with the business preparation class.

Goal 5.7: Increase the number of dual enrollment classes with our community college partners

In December, 2018, the Burbank Board of Education approved a new agreement with Los Angeles Community College District to expand the number of courses available and to develop certificate programs
