

ARTICLE 18: PHYSICAL EXAMINATION

- 18.1 Members of the bargaining unit will be required to be compliant with current tuberculosis laws pertaining to their employment in a school district setting.
- 18.2 The District shall cover the cost of the Mantoux or comparable test. However, if the unit member's physician determines that such tests are inappropriate, the District will cover the cost of an X-ray or comparable test to the extent that the cost of such alternative tests are not covered by the employee's health and welfare benefits
