School Description and Mission Statement (School Year 2020-21)

Please review and complete the information below as needed. This section should include information about your school, its programs and its goals. This section should be kept to 2-3 paragraphs.

Washington is one of eleven elementary schools in Burbank Unified School District. The staff celebrates our diversity as strength. Students have an opportunity to learn, read, work and play together in positive and productive ways. A diverse student population, including hearing-impaired students and students with autism, enhances this school community.

Our goals are:

- 1) Acquire strong academic skills in all core curriculum areas; language arts, mathematics, social studies, science, fine arts and P.E.
- 2) Utilize technology to support learning
- 3) Achieve higher level thinking skills to become lifelong learners and productive citizens
- 4) Use critical thinking and problem-solving skills to make informed and responsible decisions; and
- 5) Develop a positive self-image based on a respect and understanding of the cultural diversity and contributions represented in our school, community and world.

It is our mission to empower all students to reach their academic, social and physical potential with the belief that all children can and will succeed

Opportunities for Parental Involvement (School Year 2020-21)

Please review and complete the information below as needed. This section should include information on how parents can become involved in school activities, including contact information pertaining to organized opportunities for parental involvement. This section should be kept to 1-2 paragraphs.

The Washington PTA, Booster Club, School Site Council (SSC), and English Learner Advisory Committee (ELAC) encourage and coordinate a wide variety of opportunities for parent involvement and volunteer opportunities. More information is available in the school office.

School Safety Plan (School Year 2020-21)

Please review and complete the information below as needed. This section should include information about the school's comprehensive safety plan, including the dates on which the safety plan was last annually reviewed, updated, and discussed with school faculty and a student representative, as well as a brief description of the key elements of the plan (do not paste your entire safety plan in this field). This section should be kept to 1-2 paragraphs.

Each school in the district has developed a comprehensive school safety plan with two components. The complete plan can be seen on each school's website. At Washington Elementary, Component 1 "School's People and Programs" was addressed through the following activities: Continuing and expanding the use of PeaceBuilders program school-wide and in our community, Continuing and expanding the use of Peaceful Playgrounds program, Enhancing social and emotional development through group and individual counseling sessions (provided by Burbank Family Service Agency), reintroducing how to recognize, and report bullying behaviors on campus, and Connecting with 100% of our students and families.

Component 2 "School's Physical Environment" was addressed through the following: Providing a safe, secure, well-maintained environment for learning and playing.

School Facility Conditions and Planned Improvements (School Year 2020-21)

Please review and complete the information below as needed. This section should include information from the most recently collected Facility Inspection Tool (FIT) data (or equivalent), including:

- Description of the safety, cleanliness, and adequacy of the school facility
- Description of any planned or recently completed facility improvements
- Description of any needed maintenance to ensure good repair

FIT tools completed using CDE's MS Excel format (only) can be submitted to DTS for import by [clicking here](#). To see an example of the CDE FIT Tool, [click here](#). Requests for multiple schools should be sent in one email. Otherwise, please review and complete the information below as needed.

Year and month of the most recent FIT report: 6/24/20

This section should be kept to 1-2 paragraphs.

The facility is in Good repair. Normal maintenance and upkeep is being performed. No improvement project(s) are scheduled at this time. The District takes great efforts to ensure that all of its schools are clean, safe, and functional. To assist in this effort, the District uses the "Facility Inspection Tool" (FIT) developed by the State of California Office of Public School Construction. Deficiencies noted are referred to Facilities Services and/or the site for immediate correction. To review the complete results of this survey please visit Administrative Services at the District Administration Building. Note: classroom identification numbers (23 through 37) were re-distributed during modernization therefore previous reports may not be reflective of the same physical space.

School Facility Good Repair Status (School Year 2020-21)

Using the most recently collected **Facility Inspection Tool (FIT)** data (or equivalent), provide a summary statement of the condition of the school facility, as required by Education Code sections 17014, 17032.5, 17070.75(a), and 17089(b), including:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

This data should match the most recent inspection/FIT report for your school.

System Inspected	Repair Status (the marks should match your most recent inspection)	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Good	Library missing ceiling tiles;
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good

Teacher Credentials

Please review and complete the information below as needed. This section should include the number of teachers that fall into each category listed for the year indicated.

Teachers at this School	School 2018-19	School 2019-20	School 2020-21	District 2020-21
With Full Credential	25	25	25	694
Without Full Credential Without a full credential (includes LEA and university internships, pre-internships, emergency or other permits, and waivers)	0	0	0	3
Teaching Outside Subject Area of Competence CDE does not collect data on the number of teachers teaching outside their subject area of competence (with full credential). Teaching outside subject area data should be available in the LEA's personnel office. In most instances, teaching outside subject area is a subset of total teacher misassignments (see data definition for Teacher Misassignments).	0	0	0	0

Teacher Misassignments and Vacant Teacher Positions

Please review and complete the information below as needed. This section should include the number of teachers that fall into each category listed for the year indicated.

Indicator	2018-19	2019-20	2020-21
Misassignments of Teachers of English Learners 'Misassignments' refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.	0	0	0
Total Teacher Misassignments 'Misassignments' refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc. Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.	0	0	0

Textbooks and Instructional Materials (School Year 2020-21)

This section describes 1) whether the textbooks and instructional materials used at the school are from the most recent adoption, 2) whether there are sufficient textbooks and instructional materials for each student 3) and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

List all textbooks and instructional materials used in the school in **core subjects** (reading/language arts, math, science, and history-social science), including:

- Year they were adopted
- Whether they were selected from the most recent list of standards-based materials adopted by the State Board of Education (SBE) or local governing board
- Percent of students who lack their own assigned textbooks and/or instructional materials*
- For kindergarten through grade 8 (K-8), include any supplemental curriculum adopted by local governing board

If an insufficiency exists, the description must identify the percent of students who lack sufficient textbooks and instructional materials. Be sure to use the most recent available data collected by the LEA and note the year and month in which the data were collected.

This data should match the most recent adoption of textbooks for your LEA.

Year and month in which the data were collected: January 2021

This section should be kept to 1-2 paragraphs.

This table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school; whether the textbooks and instructional materials are from the most recent adoption (yes/no); and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

Note: Assembly Bill X4 2 (Chapter 2, Statutes of 2009-10 Fourth Extraordinary Session) signed on July 28, 2009, suspended the process and procedures for adopting instructional materials, including framework revisions, until the 2013-14 school year.

Expenditures per Pupil and School Site Teacher Salaries (Fiscal Year 2018-19)

Please review and complete the information below as needed.

- The fields that are **highlighted yellow** are populated for you with data provided by CDE.
- Percent differences, **highlighted light-blue**, are calculated by this form.
- The remaining data was copied over from last year's SARC and should be reviewed/updated, with data from FY 18-19.

The most recent data available from CDE is for fiscal year 2018-19. For comparison purposes, data for the same fiscal year is requested from the school.

As this template is thoroughly reviewed each year, please note that the year listed, fiscal year 18-19, is correct.

Optionally, use this space to share information on the annual number of days provided for professional development and continuous professional growth for the school years 2018-19, 2019-20 and 2020-21. Questions that may be answered include:

- What are the primary/major areas of focus for staff development and specifically how were they selected? For example, were student achievement data used to determine the need for professional development in reading instruction?
- What are the methods by which professional development is delivered (e.g., after school workshops, conference attendance, individual mentoring, etc.)?
- How are teachers supported during implementation (e.g., through in-class coaching, teacher-principal meetings, student performance data reporting, etc.)?

This section should be kept to 1-2 paragraphs.

All district adopted curriculum software

Outlook

Green Screen Videos

MakerSpace Carts

Breakout EDU

Twitter (utilizing Social Media for professional development)

OneNote

21st Century Classroom Technology install

Integrating technology into current instructional practices

District Wide Professional Development offered in 2020-2021 focused on utilizing technology to teach in a distance learning model. Modules were prepared for teachers to work through during preschool days with their grade level and subject area colleagues. Topics included:

Setting up a Google Classroom

Developing Instructional Modules

Creating Community in the Digital Environment

Supporting Special Populations

Grading and Assessment

Kami Tutorial

Mote Tutorial

School City Help Tutorial

Using the Google Suite

Flipgrid

These trainings are usually offered in a variety of formats, but due to the pandemic, all professional development this year was delivered through Zoom meetings, Webinars, pre-recorded sessions, and slide decks. Teachers meet together via Zoom/Google Meet weekly, either in department meetings, faculty meetings, or all staff meetings and focus on learning on of the new platforms used in distance learning. The District office also offers monthly virtual workshops on topics related to distance learning and bi-weekly tech newsletters inform teachers of new programs and give examples of teacher lessons.

School Completion and Postsecondary Preparation

**This section applies to schools serving grades 9-12 only.
If your school does not serve grades 9-12, simply skip and leave this section blank.
It will not be included in the full SARC.**

Career Technical Education Programs (School Year 2019-20)

Please review and complete the information below as needed. This section should include information about Career Technical Education (CTE) programs as follows:

- A list of programs offered by the school district in which pupils at the school may participate and that are aligned to the model curriculum standards adopted pursuant to Education Code Section 51226; and
- A list of program sequences offered by the school district. The list should identify courses conducted by a regional occupational center or program, and those conducted directly by the school district; and
- A listing of the primary representative of the district's CTE advisory committee and the industries represented on the committee.

As this template is thoroughly reviewed each year, please note that the year listed, 19-20, is correct. This section should be kept to 1-2 paragraphs.
