Program Descriptions:

Credit Recovery (in-person*)** - (*I failed a class that I need to retake*)

Remediation for students in grades 9-12 who received an F grade in a class required for graduation.

Grade Improvement (*distance learning*) - (*I received a 'D' in a class and want to improve my grade*)

For students in grades 9-12 who received an D grade in a class required for graduation.

Initial Credit (*hybrid*) - (*I want to take a class to 'get ahead'*)

A limited number of classes are offered for students who will have impacted schedules during the regular school year. Synchronous portion will take place. Registration forms are time-stamped (online) and spaces will be filled on a first come, first serve basis.

Special Programs:

Extended School Year (in-person*)** (*My case carrier is signing me up for classes*)

Students with Extended School Year (ESY) services in their IEP will receive a separate registration form from their special education case carrier.

English Language Development (in-person*)** - (*I want to improve my language skills*)

Students in the English Language Development (ELD) program that wish to improve their language skills will be signed up by their counselor or ELD coordinator.

**If health conditions will not allow us to be in-person this summer, the credit recovery summer program will be in the distance learning format.*

Summer School Policies:**Attendance:**

The first day of summer school is mandatory. Due to semesters being three weeks long, missing one day of class time may result in a student being dropped from the summer school class whether the absence is excused or unexcused. All absences require a signed note from a parent/guardian.

Grades and Credit: Report cards will be mailed home at the conclusion of summer school. Grades are viewable on the Aeries portal. Parents will be notified if a student is failing mid-semester. Credits earned will be determined by the student's attendance and successful completion of coursework.
