Dear Families, Students, and Employees:

### **Budget – Keep up the advocacy!**

Your advocacy is working! The Senate is working on a [budget proposal](#) that would prevent some reductions to education and the Assembly is also working on a proposal. The legislature has until June 15<sup>th</sup> to submit a budget to the Governor. [Click here to email your legislators](#). Tell them your personal stories and give them solutions that they can implement instead of cuts. For example they can use the State reserves, Rainy Day fund, cash deferrals, and/or delay or reduce school district payments to CalSTRS and CalPERS. We will continue to discuss the budget situation during a series of Board meetings. We have also pushed the Budget Adoption to June 25<sup>th</sup> so that we have more time to advocate to prevent these cuts. You can watch the Board meetings by [clicking here](#)

- Thursday, June 4, at 7pm – Regular Board meeting, Budget Update
- Wednesday, June 10, at 7pm – Study Session regarding the Budget
- Thursday, June 18, at 7pm – Regular Board Meeting, Budget Update
- Thursday, June 25, at 7pm Special Board Meeting – Budget Adoption

### **Reopening of School 2020-21**

You should have received a survey from Robyn Anders this week to collect your feedback about your experience this spring. You can also access the survey by [clicking here](#). This is a high-level survey; we will continue to solicit more detailed feedback over the next several weeks. The Reopening Committee will kick-off next week and will begin by reviewing the Los Angeles County Office of Education [Reopening Framework](#) and will begin to use the framework to develop a BUSD specific plan. Next week, we will launch a website that will house all of this information and will allow you to continue to provide feedback.

By continuing to work together, we will build a stronger BUSD.

Take care,

Matt Hill, Ed.D.  
Superintendent
