June 18, 2020

Dear Families, Students, and Employees:

Budget Update

The Legislature is still negotiating the [budget proposal](#) with the Governor. We need to continue our advocacy and email the Governor and the legislature. Tell the Governor to adopt the Legislature's plan [Click here to email your legislators](#). Without the support of the Governor and legislature, BUSD will be forced to **adopt the Governor's May Revise which means \$13 million in budget reductions**. You may learn more about our budget process here: <https://www.burbankusd.org/2020-21Budget>. You may also submit feedback on the budget to this email address budget@burbankusd.org. Finally, you can watch the Board meetings by [clicking here](#) .

- Thursday, June 25, 7pm – Special Board Meeting – Budget Adoption

Reopening of School 2020-21

The Reopening Committee is working together and reviewing feedback from parents and employees to develop the best instructional models for the fall. We want to stress again that the 100% distance learning option will be a revised model and will not be the same as the spring. We will be offering a robust and rigorous curriculum to the degree possible and this will include assessments and letter grades. For those families who want to select the in-person option, we realize that many want a full-time model. The current Los Angeles County Department of Health Order does not make it feasible for us to offer a full-time model. That is why we are developing a hybrid model where students will go to school half-day and the other half-day will be learning from home. We understand this model creates child care challenges - we are working with our City and non-profit partners to identify ways to mitigate child care needs. More information will be forthcoming. Current information is available on this website <https://www.burbankusd.org/Reopening>. You may also email your comments to re-opening@burbankusd.org. We also want additional information regarding our draft models. Please complete the following survey by June 26th to help with our planning (you will receive the survey multiple times, you only need to complete it once for each child).

[Elementary Survey \(English\)](#)

[Secondary Survey \(English\)](#)

By continuing to work together, we will build a stronger BUSD.

Take care,

A handwritten signature in black ink, appearing to read "Matt Hill". The signature is written in a cursive, flowing style.

Matt Hill, Ed.D.
