

Teacher Name **BLINDER** **Subject: SCIENCE**

Email address	ericblinder@burbankusd.org
Google Classroom or teacher website information/link	*posted on Aeries for each period
What websites or applications are you using to support instruction?	Flipgrid, stemsscopes, brainpop, more as time goes on and we are comfortable
Will assignments be due weekly or on specific days?	Weekly
How do students access the lesson or a make-up assignment when they are absent?	I will have a lesson recorded and I will save it for a week. If a student wants the video they need to request it.
If students are struggling in class, how/when can they get extra support? When are your office hours?	I check my email often and respond quickly. Email is best. Every Friday will be organized live office hours as well.
How often do you give assessments and/or big projects?	Every few weeks will be a larger activity or assessment, however smaller assessments will be given roughly every other week.
Do you accept late work? What are the parameters?	Yes I accept late work.
What is the best way for students/parents to contact you?	Email.
How often should parents/students check the Aeries portal for updated grades?	Every week.
Other information
