

**Teacher Name Jim Czerwinski**

**Subject: Science - 6th**

Email address	jamesczerwinski@burbankusd.org
Google Classroom or teacher website information/link	Google Classroom
What websites or applications are you using to support instruction?	Google Classroom, Flipgrid, padlet, pear deck, Edpuzzle and others as we learn them.
Will assignments be due weekly or on specific days?	Assignments will be due the next class period unless otherwise stated. A few will be due by the end of the week. Projects will have longer.
How do students access the lesson or a make-up assignment when they are absent?	Assignments will be posted on our Google Classroom in the weekly agenda. Some lessons may be recorded. They can contact the teacher by email or send a message through google classroom.
If students are struggling in class, how/when can they get extra support? When are your office hours?	Ask questions during the last 35 minutes of class intended for that purpose. They can also come to my office hours on Friday. Email me, other options may be available.
How often do you give assessments and/or big projects?	Occasional big projects. Daily/weekly assignments very important for grade. Assessments occur as material is completed to check for mastery.
Do you accept late work? What are the parameters?	I will accept late work for reduced credit. One week
What is the best way for students/parents to contact you?	For parents: Email (see above) For students: Through Google Classroom or email
How often should parents/students check the Aeries portal for updated grades?	Weekly to bi-weekly.
Other information	Students should keep a google calendar to help them organize assignments and keep on top of things.
